

Prophecy by Rev. Kenneth E. Hagin
Prayer Seminar 1980

“To heed to prayer and know how to pray effectually in the last days because we’ll need it. If we know not how to pray we will seem almost forsaken and forlorn because we did not assume our place and enter into the prayer fight.”

“There are those people who will need it badly and need it greatly and some who stand here today that will not stand in this place again. Neither will you be the same again – but you must quickly learn how to get into your spirit what is being taught about prayer for you will need it. Do not treat it lightly or say, ‘Dear Lord seems like we didn’t say everything there.’”

“What is that down there? Yes, there are lives here and families that even though you don’t know it but darkness is creeping in on you - the enemy would endeavor to steal from you the blessings of God. The enemy will endeavor and would invade your homes, your lives, and your marriages but to be forewarned is to be forearmed.”

Intercede against the power of darkness – don’t stop in your praying because things seem to change a little bit. What we saw with Elijah. He didn’t stop when he saw only a little cloud. Keep on praying until the full answer materializes or until the burden lifts. Don’t settle for 50% victory – 75% victory. Don’t even settle for 90% or 99% victory. But settle for nothing less than 100% victory.”

“Deliverance from darkness.” Then I could hear the Spirit of God within my spirit say, “The end of the age. The end of the age is coming upon this generation. The powers of darkness, the forces of evil are rampant as never before and they will be increased in intensity and velocity. Even many Christians will look upon those things and say, ‘Oh, there is no use’ and throw up their hands in futility and say, ‘I guess it is all over and we’ll just have to pray that Jesus will come shortly for the devil is about to take over everything.’ And they will faint and give up.”

But thus saith the Lord today, “I am searching through the Body of Christ to enlist soldiers into the army of prayer and I will raise up a new band. I will raise up a new army that will know how to pray against the darkness. And the light will dispel the darkness and the truth will set men free. And prayer will break the bands that bind men’s minds, spirits, and bodies. Yeah, there are those who will take their place and hurriedly it must be. Quickly it must be that they learn and enter in quickly to stand against forces of darkness and evil that will try to come against the land, that would try to come against the church, against the home, that would try to disrupt and destroy all that is good and all that God has endorsed. But the hand of the Lord is upon those who will listen to the urge of God, in the spirit of those who are attentive and the Spirit of God will help them to pray. Do not try to do it in yourself, though there must be labor on your part, yet at the same time rest in Him. The Spirit of God will help you and let Him flow through you like a river, like a mighty wave, let it flow through you. Give vent to those innermost groanings and let them escape through your lips. Take time to set alone and wait sometimes, not saying anything, but on the inside there is an agonizing flowing out of your spirit by the Holy Spirit to the Great Spirit, the Father of Spirits. Thou shall be sustained and thou shall be kept and thy family and

thy homes shall be steadfast and thy children will grow up strong and stable in the Lord. They shall have no fear but you shall intercede for your neighbor and your friend and intercede for those in church who have not come to the knowledge of the truth – making sincere prayer on their behalf so the light will shine and the work of God will go forth. The work that is to be accomplished in these next few years will surely come because you were faithful,” that is what the Spirit of God is saying.

Prayer: Lord, I'll be one who will enlist in the army of God. I'll be faithful in prayer, faithful in whatever place you set me in but most of all, I'll be faithful in prayer. I'll set myself this day, I make the decision today that the Spirit of God can depend on me – you can depend on me, Lord. Oh, blessed be the blessed Holy Spirit, you can depend on me.

One part of the prophet's ministry is that he is sensitive to what the Spirit of God is saying. This is what He is saying just ahead for ministers present.

“Why ministries get into trouble is because they don't have a life before God and pray. That is the reason we get into trouble and how unholiness gets into our life. It is by a lack of abiding in God. God is setting you apart everyday into Him and there are two different forces in the world – light and darkness, God and Satan. You are being separated and consecrated into one or the other on a daily basis by what you are doing with your life – separating unto God and in worship and you can set to place you are hanging in balance. Which way are you going?”

“Just ahead there are some great and marvelous things. In fact, if it would be told to some of you, it would be very difficult for you to accept it. Your mind would not allow you to accept it. Some great and marvelous things – those adjectives do not even describe it, don't even begin just to tip on what is to take place – but that cannot take place without you as an individual taking your place in the realm of prayer, without a good part of the Body of believers that will pray. But a good many will do it. Some will be faithful. Some will not be faithful but without a good part of the body taking their place in prayer. Because at this time God has great things, wonderful things, things that will be manifested in this seen realm and will be seen beyond the comprehension of most. At the same time the enemy is making his move and darkness will loom up in front of you like a mountain and the devil will throw every kind of road block in front of you. That is the reason you need to be alert and you need in these next times to walk softly, carefully before the Lord and see to it you keep yourself uncontaminated from the world and worldly things and keep yourself pure from every unclean thought that would come your way. How do you do that? By staying in communion and fellowship with the Lord. Not to be in bondage but knowing that the Lord has set you free.”

“For I'll not let Satan entangle or lay hold of my mind to think differently of what the Word of God teaches and not let him lay hold of any part of me but see to it the vessel, the temple is kept clean. And I will walk carefully before the Lord giving heed to the urges of the Spirit, giving heed to what He is saying on the inside of me. So the Lord will be able to fit me – shaping and molding me into a vessel He wants me to be.”
